SHEET 1 OF 1
SIZE A4

Heights above Playground surface are shown on details and all play equipment.
Impact absorbing ground cover is required under and around all play equipment.
The min. recommended fall zone around the entire play structure is shown. This zone is to be free of all tripping or collision hazards (ie. rocks, roots, border material, etc.)
Site layout and dimensions are subject to verification prior to installation.
Dimensions in millimetres unless stated otherwise.
