SCULLY OUTDOOR DESIGNS

Scully Outdoor Designs have been supplying an extensive range of highest quality outdoor furniture, shades, shelters and outdoor infrastructure since 1994. We work together with our clients to create and deliver solutions that ensure long-term quality outcomes.

Scully Outdoor Designs has many long-term relationships that have been built on trust and reliability. We are experts in designing and creating working spaces that excell in both form and function. This is backed by our impeccable manufacturing, construction and installation standards developed over the last 25 years.

SCULLY OUTDOOR DESIGNS

Canley Vale Public School – Learning and Performing Space L.A.P.S.

Our extensive range of designs and products gives us the capacity to design and install a complete transformation of open spaces-being mindful that our designs can improve children's health, social

interaction as well as promoting sustainable living in a relaxed outdoor area. Our broad range of shade and shelters options complete these designs by maximising coverage to suit each site.

Good Shepherd Public School - Conrod Double All Access Settings

SCHOOLS & EDUCATION

We design, supply and install a large range of products and projects for Primary and Secondary Schools, Colleges and Universities, and Early Learning Centres.

From Shade and Shelters, COLAS and Covered Walkways, Seating and Bins, to Playground installations. These include Outdoor Classrooms, Yarning Circle and Garden Clubs including Raised Sandpits and Garden Beds and a range of recycled rubber animals, real looking rocks and circuit equipment.

We are Preferred Suppliers to the Department of Education and Archdiocese of Sydney for Catholic Schools.

L.A.P.S.

Our *LEARNING & PERFORMANCE SPACES*

offer an innovative and 'sustainable choice' area incorporating recycled plastic wood decking, seating, performance platforms, food gardens, as well as play areas featuring art installations. Designed to assist students in gaining knowledge and values of healthy sustainable living, and to encourage performance, drama and debating in a relaxed open space.

THE YARNING CIRCLE

The Yarning Circle

An alternative Outdoor Classroom for students to engage in learning in a relaxed open space. It encourages the connection to Aboriginal Culture and Heritage and promotes the ideals of:

- **Listening and Talking**
- **Teamwork and Unity**
- **Trust and Tenderness**
- **Belonging and Story telling**

Our standard Yarning Circle features but not limited to are:

- **Inner circle Round Newport Platform**
- **8 medium size recycled rubber rocks**
- **4 Conrod Curved benches**
- **Assortment of Australian animals in recycled rubber**

Shade Sails or Shelters can be added for protection from the elements.

SCHOOLS & EDUCATION

SETTINGS RANGE

Child Care Centres ranges are available in flat surface, non-perforated to avoid finger entrapment.

SCHOOLS & EDUCATION

BUDDY OR FRIENDSHIP BENCH

Buddy Bench - Wellington Point State School

- Prosocial behaviour (voluntary behaviour intended to benefit another); such as: inclusion, empathy, sharing and compassion.
- Conflict resolution, including ability to identify a problem and then work together to solve it.

Four reasons to use the **BUDDY** or **FRIENDSHIP BENCH**:

- If you are new to school
- If you want to make new friends
- If your friends aren't here today
- If you want to be a buddy

Buddy Bench - Orange Grove Public School

Friendship Bench - Loftus Public School

School Bags - Woollahra Public School

SCHOOL BAG RACKS

Available in:

- 1m length with 3 hooks.
- 2m length with 6 hooks.
- Powder coated aluminium.

SCHOOLS & EDUCATION

PLAYGROUND RANGE

Enhance a natural area while at the same time reducing maintenance and adding a crucial element of safety.

Add a whole new dimension to your playground with moulded 2D & 3D animals and shapes. Prefabricated from recycled rubber and available in a range of standard colours.
