We're serious about fun!

Austek Play has been supplying and installing commercial playgrounds into schools and public play spaces across QLD and NSW since 2000. Austek Play offers a convenient and stress-free process, from customising a design that brings your vision to life, through to installation and handover. Our fantastic after-sales service will ensure that your new playground remains a safe, durable and exciting environment for many years to come.

With the most comprehensive and innovative playground equipment options available in Australia, we aim to encourage, motivate and inspire children of all ages and abilities to get outside and play!

Sensory Play

With physical, cognitive and social benefits, Austek Play supplies a wide range of sensory play equipment which facilitates development for children of all abilities.

Themed Play

Austek Play offers an expansive range of fully customisable themed play equipment, bringing your playground to life.

Fitness

A wide range of Australian and Internationally manufactured fitness equipment with a wide range of colour options. Customise by combining different components.

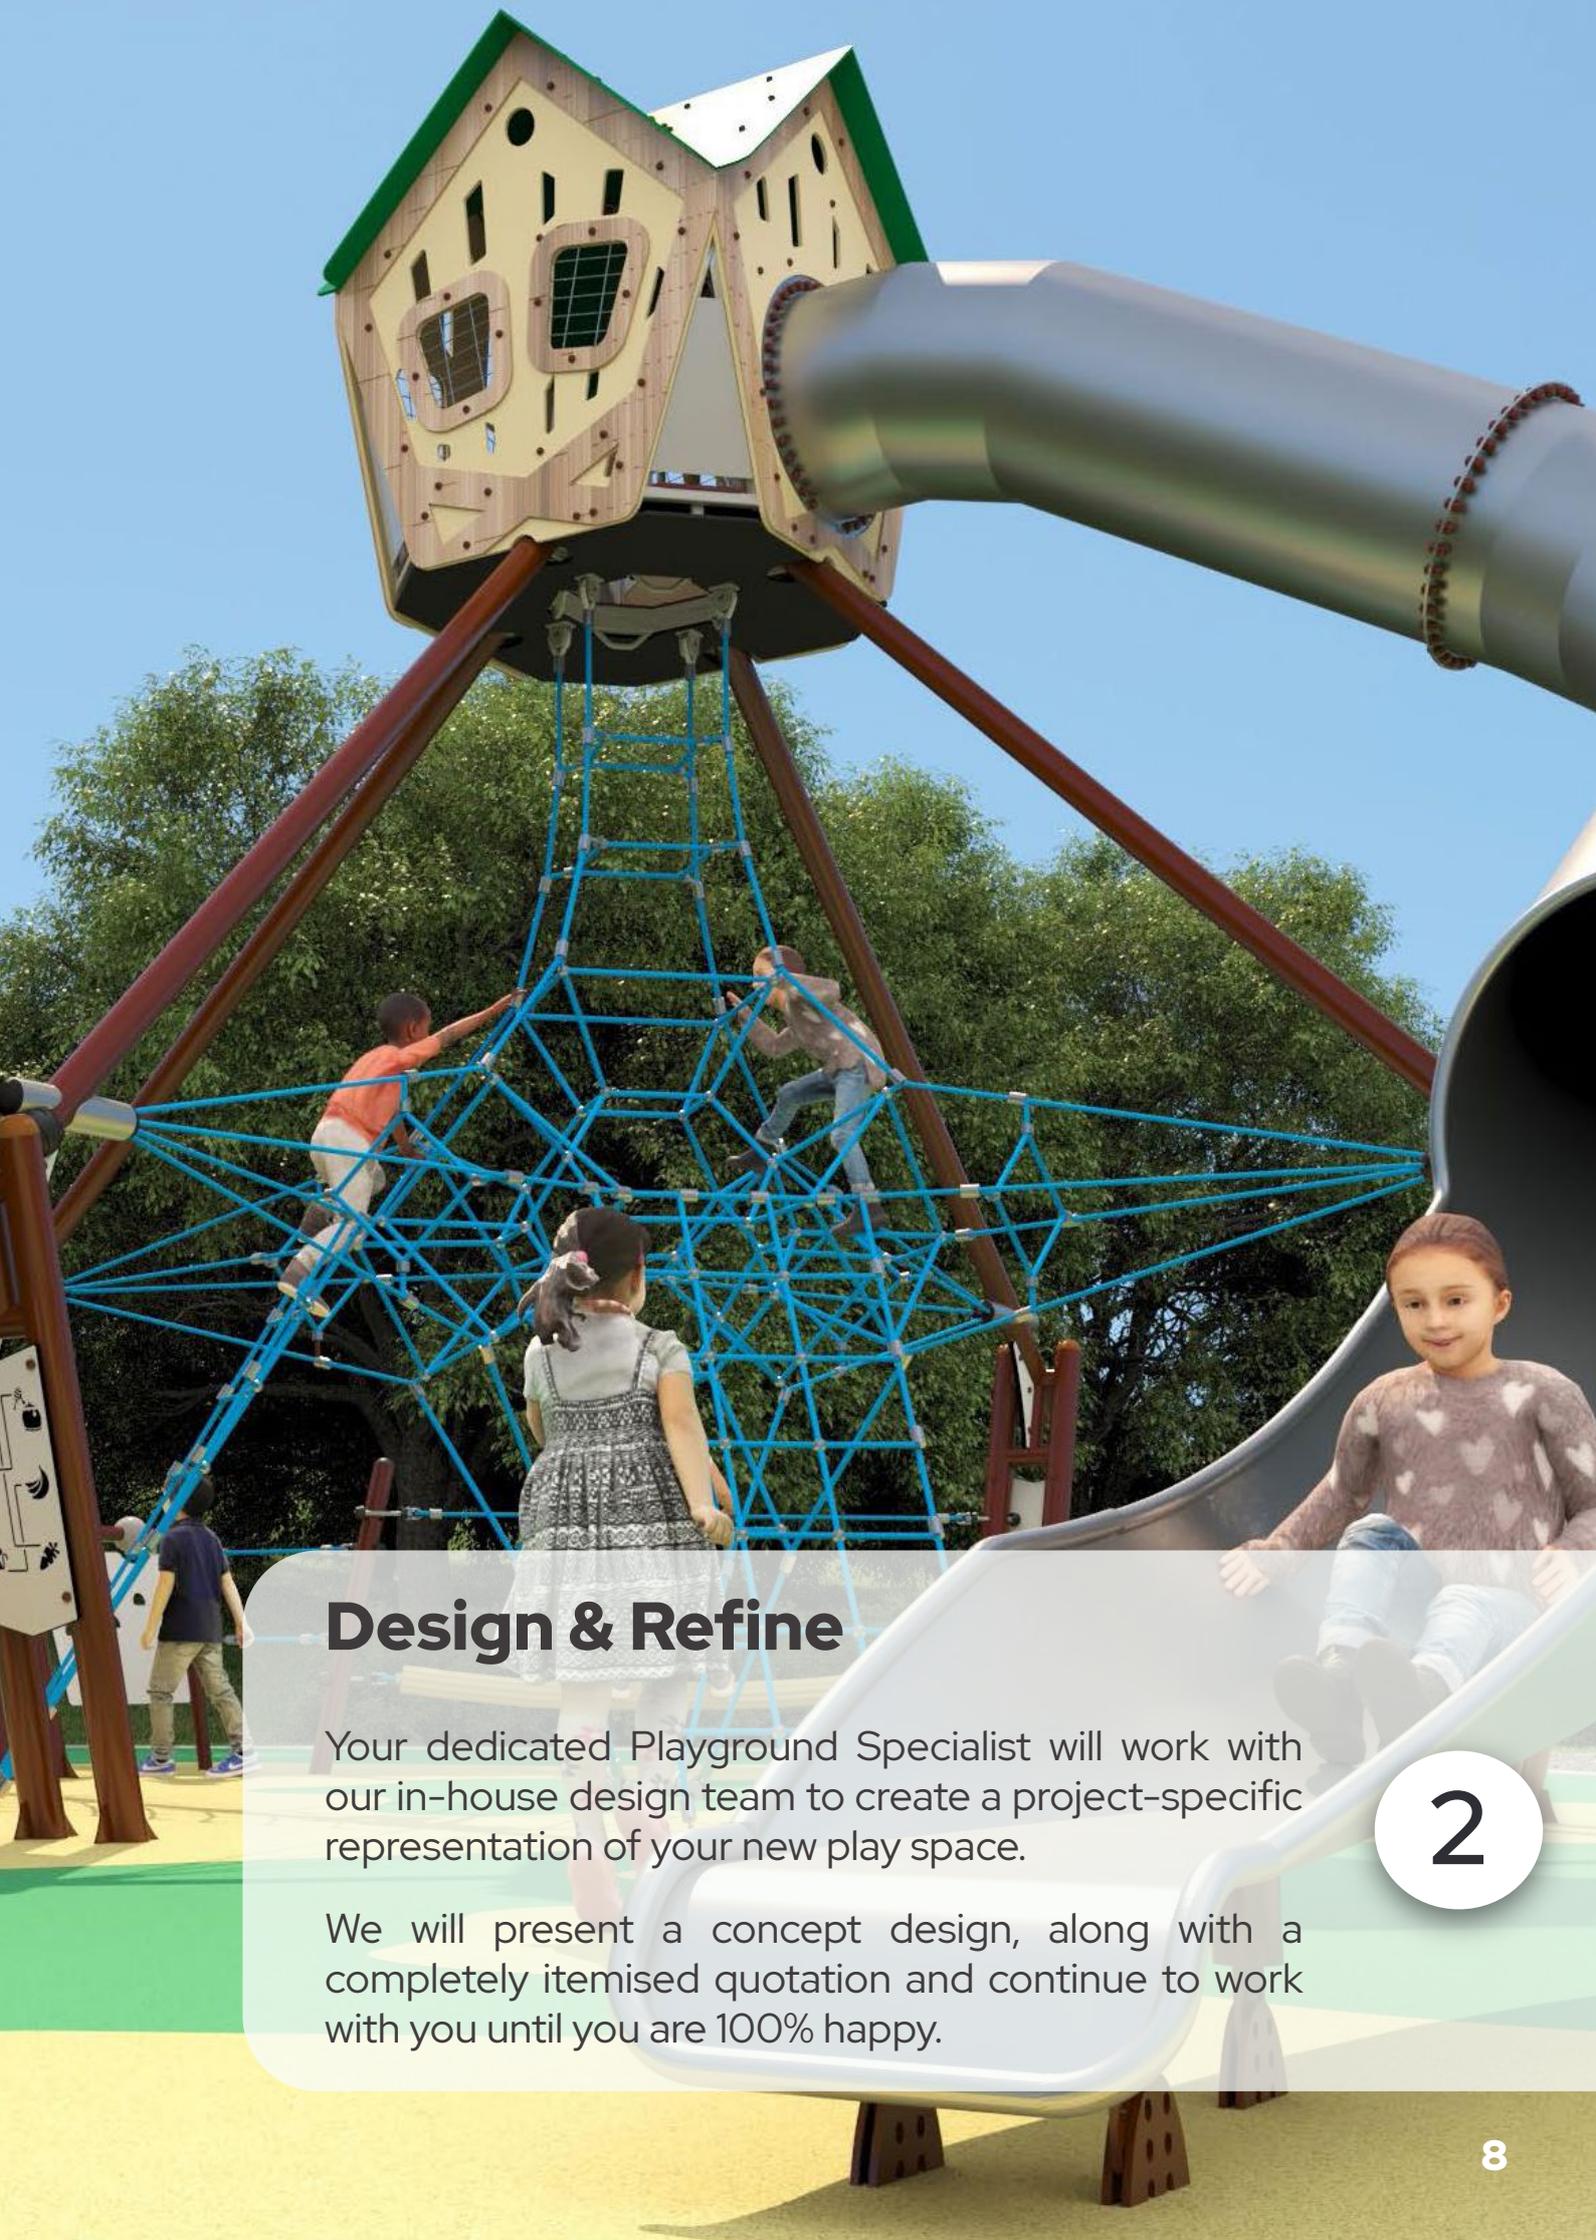

A photograph of a playground. In the background, there is a wooden play structure with a grey slide. The ground is covered in bright green artificial grass. A path of light-colored, irregularly shaped stepping stones leads from the foreground towards the play structure. The sky is clear and blue.

Our process is **easy.**

1

Contact & Collaborate

One of our Playground Specialists will be designated for your project and will work closely with you to truly understand your vision.

Design & Refine

Your dedicated Playground Specialist will work with our in-house design team to create a project-specific representation of your new play space.

We will present a concept design, along with a completely itemised quotation and continue to work with you until you are 100% happy.

2

3

Proceed and Construct

Once you're completely happy with the design and layout and have placed an order, we will discuss the best time to schedule the works. Our experienced team of installers will ensure the construction process runs smoothly and efficiently. Austek Play is an Open Class Licenced Building Company.

Delivery & Support

Before you know it, your new playground will be complete and ready for action. Your dedicated playground specialist can answer any questions you have.

Austek Play will only be a phone call away should you require parts and/or maintenance in the future.

HAGS[®]

Inspiring all generations

HAGS has been designing and manufacturing commercial recreational equipment for over 70 years. As an integral part of the world of playgrounds, HAGS supplies play, sports, fitness, park and urban equipment around the world.

Cemer[®]

"dreams come true"

Having won an array of accolades, including a Red Dot Design Award while running their own competitions to increase awareness of product design excellence in playgrounds, Turkey's Cemer are leaders in innovation of play equipment.

The name Omnitech has been synonymous within the playground industry in Australia for more than 20 years. Omnitech design and manufacture an extensive range of Australian sourced and built equipment.

Specialising in themed play, QualiCité is a worldwide leader in playground innovation, thanks to their heavy investment into research and development. Boasting over 3,500 products, QualiCité equipment is sure to bring your vision to life!

Denfit has been supplying outdoor fitness equipment worldwide since 2001. Through Denfit, Austek Play can supply and install a wide range of calisthenic, easy-to-use fitness equipment designed for people of all ages and abilities.

Tailored to *you.*

When we combine your exciting concepts with our broad range of industry-leading playground and fitness equipment, plus assistance from our in-house design team and specialists, we're able to bring your vision to life! This combination guarantees an exceptional place to be enjoyed by all members of our communities.

It's our mission to help you create one-of-a-kind experiences and whimsical destination parks that have that WOW factor.

Our dedicated team of talented playground specialists take the time to understand your needs and vision, then works with you every step of the way to turn the wildest conceptual sketches into tangible destinations.

Creating a space for **all** to enjoy.

Think beyond accessibility needs, so everyone can experience the joys of play.

Inclusivity means giving everyone the chance to play, whether they have learning disabilities, visual or physical impairments or other conditions. This could mean designing for step-free access, providing areas of shelter and shade, or even providing spaces for service animals. Whatever your needs and constraints, Austek Play can work with you to maximise the inclusive value of your play space.

Austek Play is proud to be fully committed to providing play areas which can be enjoyed by all. Our most popular products for inclusive schemes provide a rich range of physical, sensory and social play values.

**Inclusion is more than
just accessibility.**

**It's about being part of
something, together.**

Nature play and custom timber equipment.

Nature is one of our most important sources of inspiration, and nature play is fundamental to a full and healthy childhood.

Our nature-inspired play equipment mimics natural adventure, colours and scale, and provides a safe, durable, maintenance and kid-friendly experience. When built within a natural landscape setting, our equipment blends in, making outdoor play second nature.

All of our timber material is sustainably sourced, designed and built for play.

**Inspired by nature,
Built for play.**

Playground Installation and Landscaping

Our qualified team will ensure your playground is installed to the highest possible standards and is compliant with all relevant playground standards. We can either install just the playground or if preferred, we can coordinate your entire project.
