NOTES:
 - Heights above Playground surface are shown on decks and all play equipment. ie. Ⓞ = 400mm
 - Impact absorbing ground cover is required under and around all play equipment.

- The min. recommended fall zone around the entire play structure is shown. This zone is to be free of all tripping or collision hazards (ie. roots, rocks, border material, etc).
 - Site layout and dimensions are subject to verification prior to installation.
 - Dimensions in millimetres unless stated otherwise.
